***Updated September 12, 2016***

**SOUTH VILLAGE COLLECTION SYSTEM PROJECT**

Construction on the Collection System has started and shall continue through November.

Construction hours shall be between 7:00 am and 3:30 pm, Monday – Friday.

Construction shall take place along Valley Center Road from Woods Valley Road to Mirar De Valle Road. One lane of traffic, northbound and southbound shall be shut down. Traffic speed through construction zone shall be 35 mph.

All businesses within the construction zone shall remain open during construction.

View the attached map for the location of the current construction zone.

**WOODS VALLEY RANCH WRF PHASE 2 EXPANSION PROJECT**

The Treatment Plant Expansion has been under construction since June 2015.

This project is about 75% complete. Larger of the concrete structures have been placed. The contractor continues to place concrete and conduits at the Aeromod structure. Major pieces of mechanical equipment have been delivered to the site.

Project is anticipated to be completed in February 2017.

**CHARLAN ROAD SEASONAL STORAGE FACILITY PROJECT**

The Seasonal Storage Facility has been under construction since January 2016.

This project is about 80% complete. Installation of liner is ongoing. Installation of concrete flatwork is approximately 90% complete.

Project is anticipated to be completed in November 2016.

**If you have any questions regarding these projects, please contact Fernando Carrillo at 760-594-6891 or Jeff Schippers at 714-906-2185.**
